Linksters go undefeated second straight year

Golf tryouts started in August with 33 players trying out for 8 positions. At the end of two weeks we cut to eight players. Daryn "Smooth" Lawson, Steve "Mulligan" Kuca, Scott "Huge" Lebow, Dave "The Barber" Arnold, Mike "The Talker" Wertz, Joel "Whatsa Matter" Keiper, Eric "Not Bad" Powers, and Chris "Weak" Schneider were the players chosen.

The team played well during the dual meet season, winning all 11 matches to remain undefeated for the second year in a row. Also, they won the League two years in a row with a consecutive string of dual meet wins of 23. This dates back to 1982.

Tournaments - a different story. We, as a team did not play that well. However, Scott Lebow did shine at the regionals with a 2nd place finish and at 22nd of 126 at the State meet.

Varsity Runners Improve Each Meet, Finish Strong

The 1984 Cross-Country season saw the Trojans finish with a 6-5 record. The team started slowly, but finished strong winning six consecutive dual meets and placing respectively in the league.

Individual performances were highlighted by All-League (9th place) and State qualifier (27th place), Robert Shenton Sophomore, Dean Dolce, and Senior, Bill Day, also distinguished themselves by making the All-Area Squad. A new Freshma record was established by Steve Nagy, while Sophomore, Rich Truxall, improved immensely to become a consistent Varsit runner. Juniors, Tony Nielsen, Jim Bishopp, and Eric Goodell also turned in some fine races.

The 1984 season also marks the end of Roy Langsford's tenure as coach. This year's All-Area Coach-of-the-year has spent distinguished 21 years as a coach of Trojan runners and 26 years over-all in coaching.

Trojans explode to 8-1 record, playoff berth

The 1984 Trenton Trojan Varsity Football Team completed its season with a fine 8-1 regular season, capped off by qualifying for the state play-offs.

This Trojan Football Team displayed the kind of character that made their parents, school, community and coaches proud of them.

Although not big physically, this team played with great intensity, displayed great heart, and had outstanding senior leadership.

Because of these qualities the Trojans continued to improve week after week until they were truly an outstanding football team.

Trenton's Varsity Wrestling Team was captained by Kevin Webster. The team had a good year considering they had only three seniors. Being a young team, improvement was shown every meet. As they gained experience, this years wrestlers slowly grew into a good team. With the large number of lettermen returning next year the team is anxiously awaiting the new season.

Roundballers up mark, finish at 12-10

The Trenton Varsity Basketball Team finished the 84-85 season with a winning record of 12-10. Coach Dan Henry and the Trojans began the season with 3 consecutive wins. However, untimely injuries to key players caused a slump in which the Trojans record was evened. With everyone healthy, the Trojans finished the season strong, winning 4 of the last 6 games, including a fine performance against state runner-up Southwestern. Other season highlights were a buzzer-shot win against Thurston, a 99 point performance against Southgate, and an overtime win vs. Woodhaven in the state tournament. On the All-League and All-Area teams, the Trojans were represented by seniors Kelly Coffee and Jim Popielec, and juniors John Milligan, Chris Davis, and Dave Wilkie all contributed to the success of the team. The season concluded with John Milligan being named the Most Improved Player, Don Kolcheff received the Coach's Award, and Robert Shenton was voted the M.V.P.

Pucksters continue tradition as state powerhouse.

It would have been better had we taken State, yet nothing can take away from the thrills and triumphs of one of Trenton's finest High School Hockey teams. And that's exactly what it was — a team! There were no attempts at individual stardom; only a bunch of guys that worked and played and laughed and cried together. To be ranked #1 from start to finish only increased the excitement of beating Frazer in Regionals. Anyone at the Semi-final game would have to say that anything after that victory would have to be anti-climatic.

Trenton also captured its sixth consecutive News Herald Downriver title. The Seniors on this year's team were Rolf "the mad Butterflyer" Blanke, James B. Injuries cripple Trojans hopes for better finish.

The '85 track team had its share of injuries. They lost 2 of their 3 captains for most of the season. Dan Cogswell to a bad muscle pull and Greg Radcliff to a broken leg. This, on top of an already small team, forced many more small and nagging injuries from running up to 4 events in every meet. The people on the team did the job though. There were only 2 standouts this year. The team MVP's Mike Walters and Jerry Hubbard. Mike was undefeated in the 220 until Regionals. Jerry vaulted and cleared 12'0" at league to be the teams only league champion. Despite the injuries, the team managed a winning season. This could not have happened if it wasn't for the hard work and determination of the whole team.

Coach Mal bids adieu in championship form

The 1985 Varsity Tennis Team maintained THS tradition with another winning season - their 35th since 1947, with their 27th league title, and 19th regional title.

The 38th annual Captain's Bust Awards Dinner hosted by Bill Smith and his parents featured George Mans, member of the 1958 all-championship team, and currently Trenton's Mayor. Individual honors: Captain Bill Smith - Coach's Award, Brent Dickman - Most Valuable, Scott Lebow - Most Improved, Steve Kasprzak - 1986 Captain.

Next season there'll be no Coach Malinowski with his inspiring "That's more better," "A THS athlete is always a gentleman," "Tennis is more than a racquet" slogans. His retirement closes out a 38 year THS career.

Many generations of THS racqueteers, as well as cross-country and swimming teams join us in saying, "Many thanks and good luck, Coach Mal!"

New coach develops team concept and positive attitud

The 1985 Varsity Baseball Team developed an understanding of what it takes to succeed. To win in baseball, players must devote themselves to the sport and practice and play with intensity.

Players learned that they must set high standards and goals for themselves and enthusiastically pull together as a team to achieve those goals (Wyandotte Tournament). The desire of many of the team members to play summer baseball and lift weights through the fall and winter shows the development of a positive attitude and the desire to win.

At the John Glenn Tournament, Trenton took second place with 12 points.

The St. Marys' Tournament resulted in a first place finish with 21 points for the Trenton girls.

The League Meet was held on Oct. 5, at Lincoln Park. The Trenton girls placed first with a score of 21 points. With a dual record of 10-0 and a first in the League Meet, Trenton became the Wolverine "A" Conference Champion for the second year in a row.

On Friday, Oct. 12, the team traveled to Dearborn for the Regional play. Trenton, second with 22 points, had the privilege of traveling to Midland for the State Finals.

The State Finals began on Friday, Oct. 19. We won more points this year, but still placed 15th in the State.

Lady Harriers go with youth, enjoy another fine season

This young team was composed of five juniors, three sophomores, and nine freshmen. The girls demonstrated fine results with desire and consistent hard work. By the end of the season, they had developed into one of the top twenty teams in the state.

Kristen Zanitti, Shelly VanDierendonck, and Kristi Mans were selected to the "All Wolverine Team."

Crissy Owen, Jenny Claggett, Eileen Blicharski, Shelly VanDierendonck, Kristie Mans, and Kristen Zanitti set a new state record qualifying for the girl's individual race at the State Meet in Brighton.

The girls proved themselves time and again in our specialized practices such as "soccer trips", "water war games", and "over the hill retrieving".

Some of their names will live in history: "Diz", "Lucy", "Big and Little Red", "Shaky", "Moo", "Mir", "IQ", "Petite", "Vandi", and "Air"!

The girls swimming season for 1984 was one of ups and downs.

With an overall record of 7 wins and 6 losses we finished in fourth place in the Wolverine A League.

Individually the girls excelled. Six Trenton swimming records were either broken or tied during the season.

Top point scorers for the season were Jill Black with 233.75 points and Jenny Cochrane with 229.50 points.

This year's team consisted of 9 seniors, 4 juniors, 2 sophomores and 6 freshmen.

Although the Trenton High School Girls Varsity Basketball Team started and ended the season with a loss, the days in between produced many pleasant memories. The girls and Mr. Biedenbach compiled a 19-6 record, a District Championship, and a trip to the Regional Finals. This made them one of the top 16 teams in the State (Class A) Championship.

Some of the most memorable moments were defeating highly ranked Melvindale, Fordson, Bentley, and Woodhaven. The success of the team was a result of the togetherness and determination they possessed.

Gal gymnasts improve, set 2 new records

The arrival of two new coaches, Tracy Anderson and Kathy Lukasik, sparked a glimmer of hope into those of us still grieving over a winless '84 season. Unfortunately the '85 season was a continuation of the same bad news and the Trojanette gymnasts brought their winless streak to 26.

At the beginning of the season, we sat down and came up with some goals for the year. We're proud to say that we accomplished many of them. We decided that we couldn't live another day with polyester stretch warm-ups, so we pulled together as a team and decided to buy new sweats. What we lacked in depth, we made up for in fashionability.

We were supposed to win before we went to McDonalds, however with much begging and a little whining, we were able to go after the last meet. It was the highlight of the season.

Incredible as it may seem, 2 new school records were set this year, Captain Julie Dickman had an 8.35 on the beam and Lilli Pierce scored an 8.5 on floor. Lilli also made it to Regionals.

Even though we were pleased by injuries, broken bars, National Anthem breakdowns, and crowd control problems most of managed to make it through another season virtually unscathed.

Undefeated in league, lady spikers ranked 5th in state.

The Trenton Varsity Volleyball team finished their season with an incredible 41-4 record, and were ranked 5th in the state for most of the season, the highest ranking ever for the school's team.

The togetherness of the team brought much success throughout the season including being undefeated in league play and winning their District. The team participated in five tournaments, winning three of them, including the 17-hour marathon U of M-Dearborn Tourney, and took second place in the remaining two.

The Trojanetters season ended with a heart-breaking loss in their Regional to 3rd ranked Livonia Stevenson. This year's team was lead by seniors Lisa Chaffin, Mary Beth Henderson, and Sue Misko.

Three Records Fall to Lady Tracksters

Led by our captains Kathy LeBlanc and Tina Zimbalatti, the Trenton Girl's Track Team had a fine season. The team went eight and one in dual meets and broke three school records. Our greatest strength was our sprinters and young distance group while our weakness was lack of experience and depth in field events. The teams within the league were much stronger than last year. Thirteen of sixteen league records were destroyed. Trenton claimed the following records: two mile relay - Tina Zimbalatti, Kathy LeBlanc, Amy Cameron, and Linda Shenton; 330 hurdles - Jill Teichart; 880 run - Linda Shenton; and the two mile run - Kristen Zanetti. The "ladies" work hard to improve and this is best demonstrated by seven girls making the All-Wolverine A Conference Team.

Trojanettes have a record setting year.

1985 was a record breaking year for the Trojanettes. Coached by John Biedenbach and Paul Nadzam and captained by Lisa Allen and Debbie Gibaratz, they broke the school record for wins with 28 and the record for consecutive wins with 14. School records were also set for stolen bases (147), hits (254) and official at-bats. Another highlight of the season was capturing 2nd place in the prestigious Bedford Tournament, with Lisa Chaffin, Debbie Gibaratz and Michele Snider gaining All-Tournament honors. Lisa Allen, Debbie Gibaratz and Michele Snider were also on the Riverview All-Tournament team. During the season the Trojanettes captured wins over rival Grosse Ile, defending state champs Belleville and 2nd ranked Monroe. Closing out the season, Lisa Allen, Lisa Chaffin and Debbie Gibaratz received All-Wolverine 'A' honors.

Butterflies are Free, presented in November, was the first show presented by the Trenton Repertory Company. This group of 26 students chose three plays for their first season. *Butterflies,* a modern comedy centered on the relationship of Don Baker, a young blind man in his first apartment, and his neighbor, Jill Tanner. Don (Richard Klann) and Jill (Nora Mead) begin a friendship complicated by his mother (Sara Lipinski) and Jill's director (Brian Goodell). John J.C. Kopera, lighting and technical director of the Rep. Co., handled backstage and Mickey Bryan, art director, provided publicity.

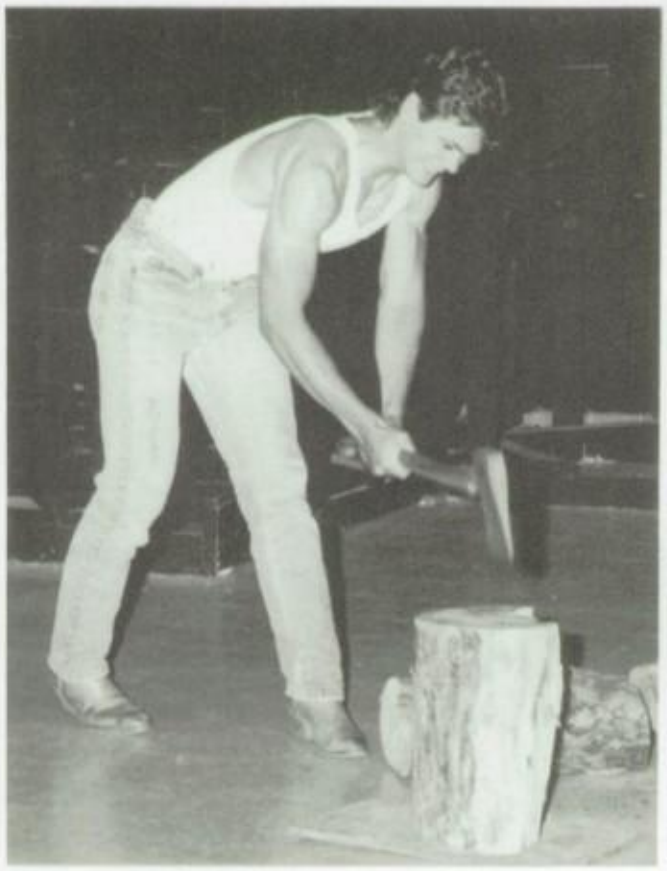
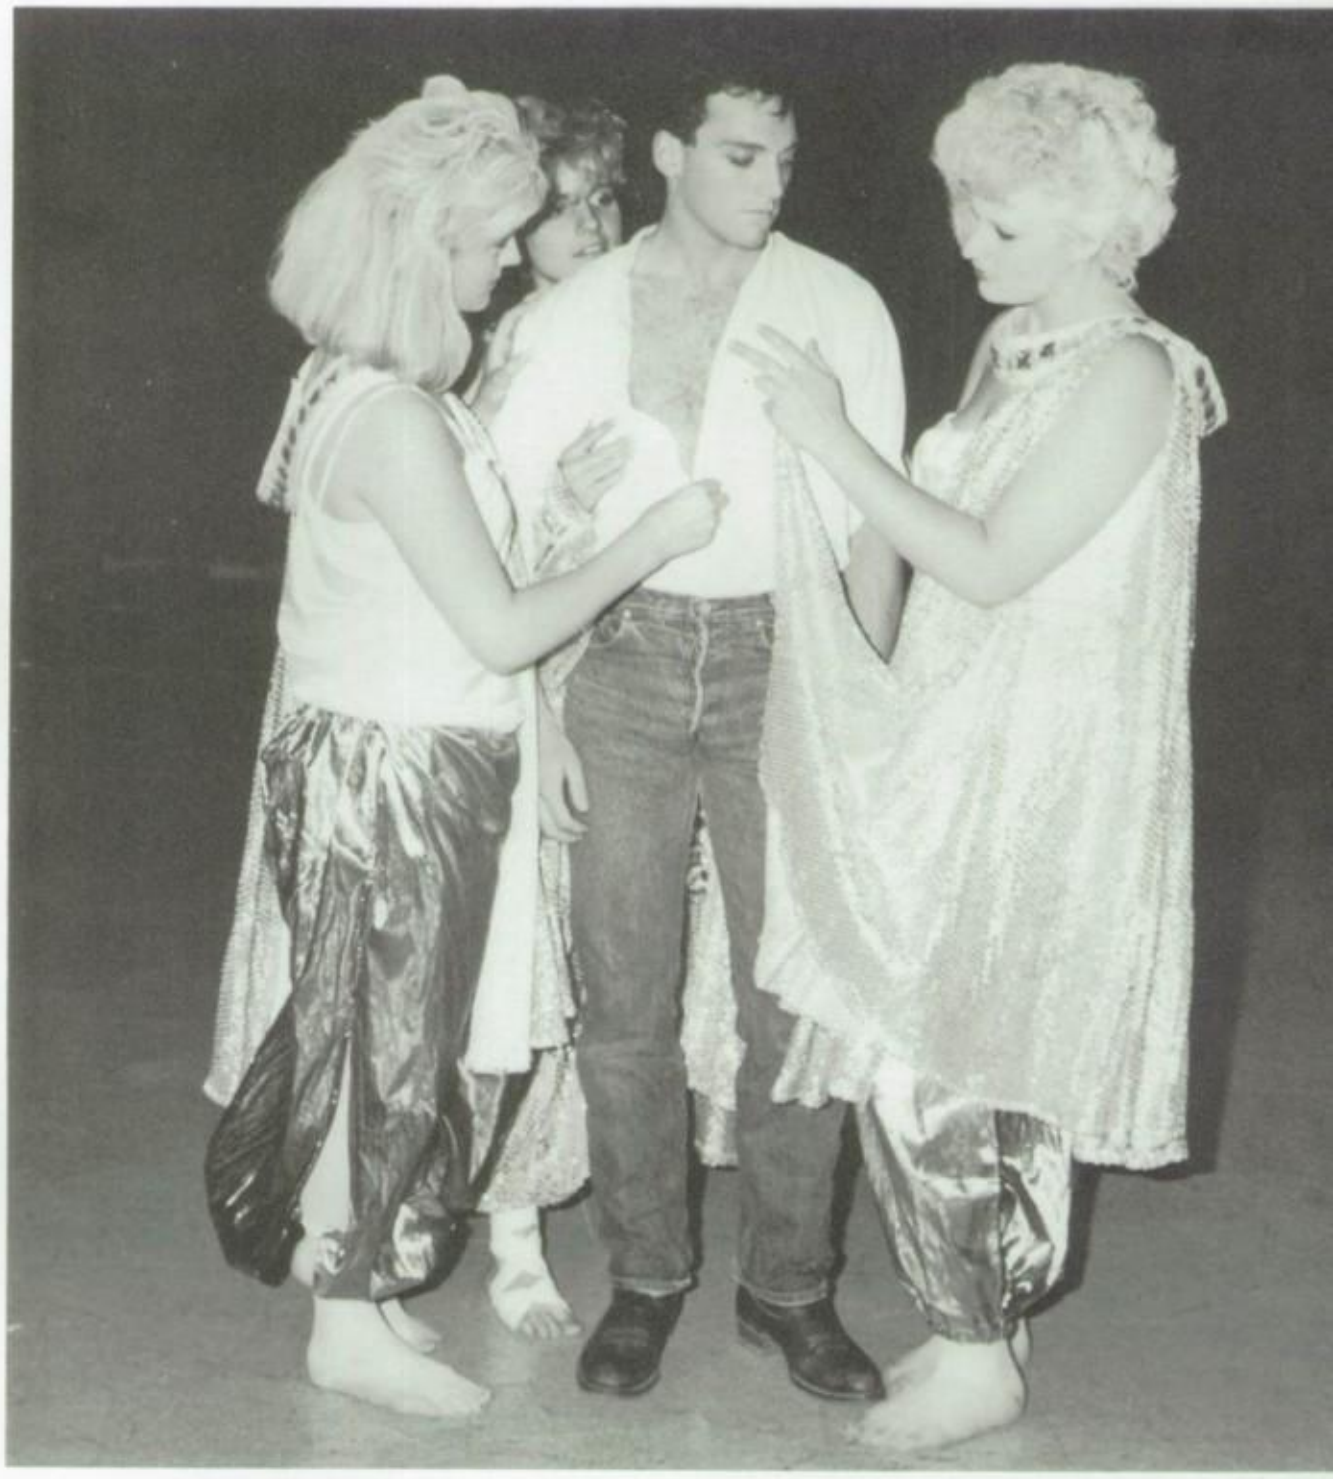
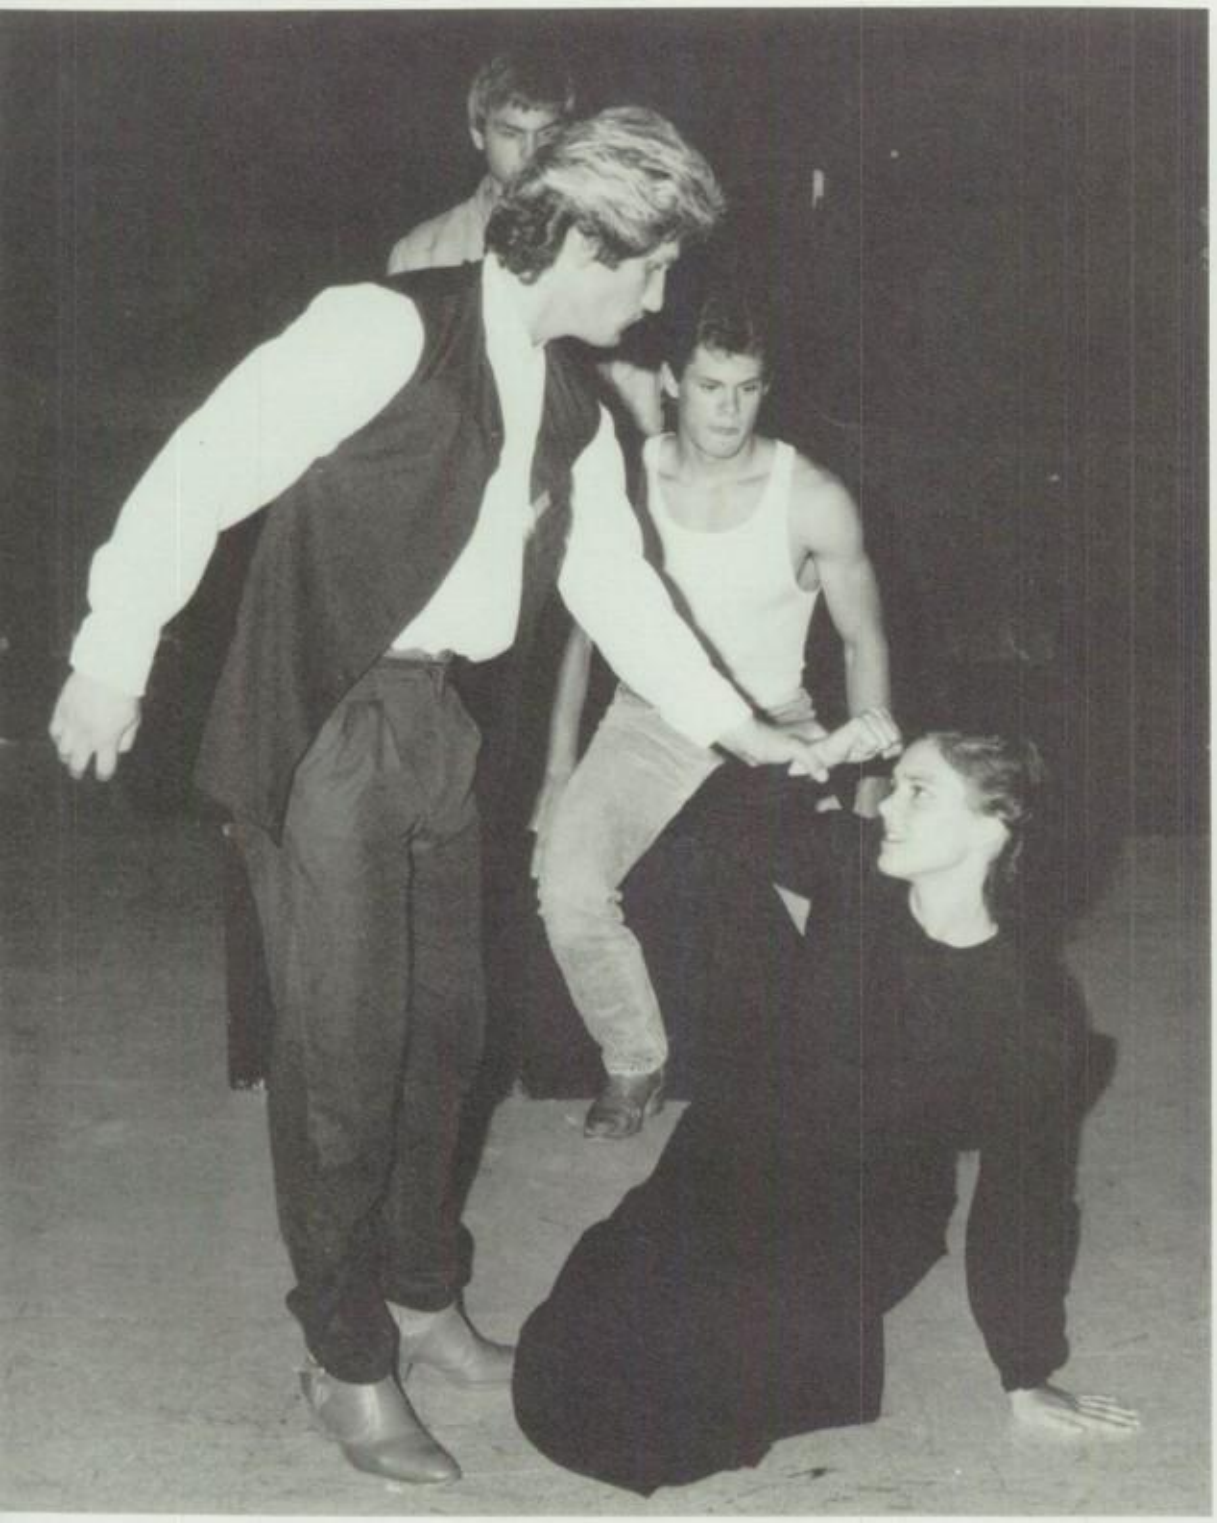
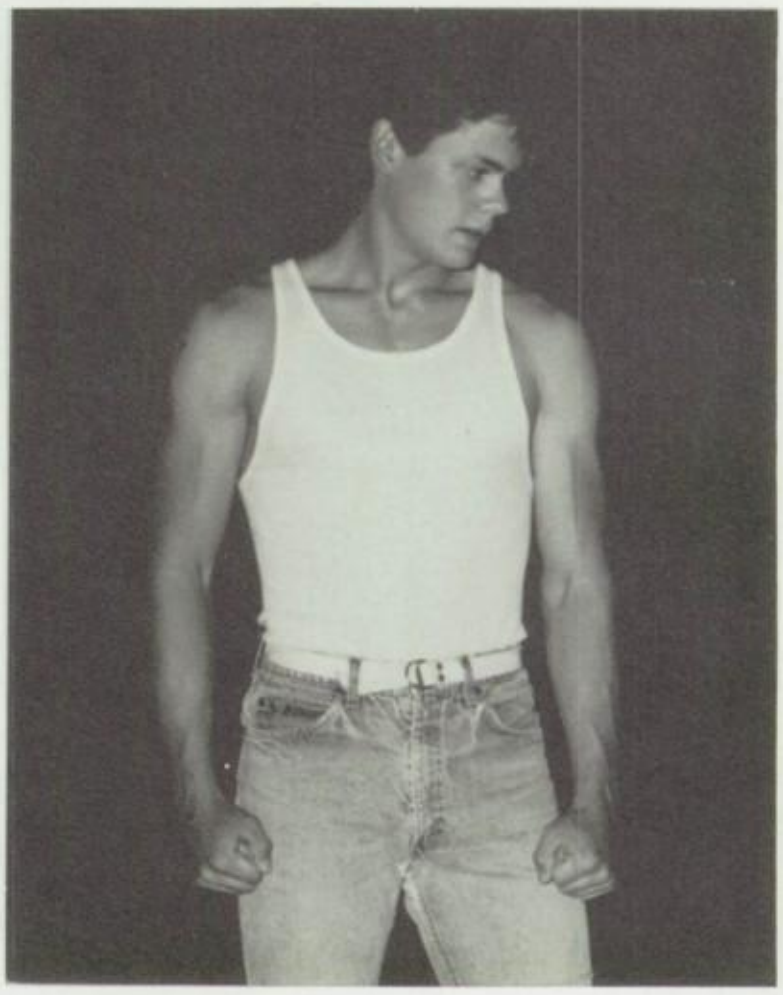
Dark of the Moon

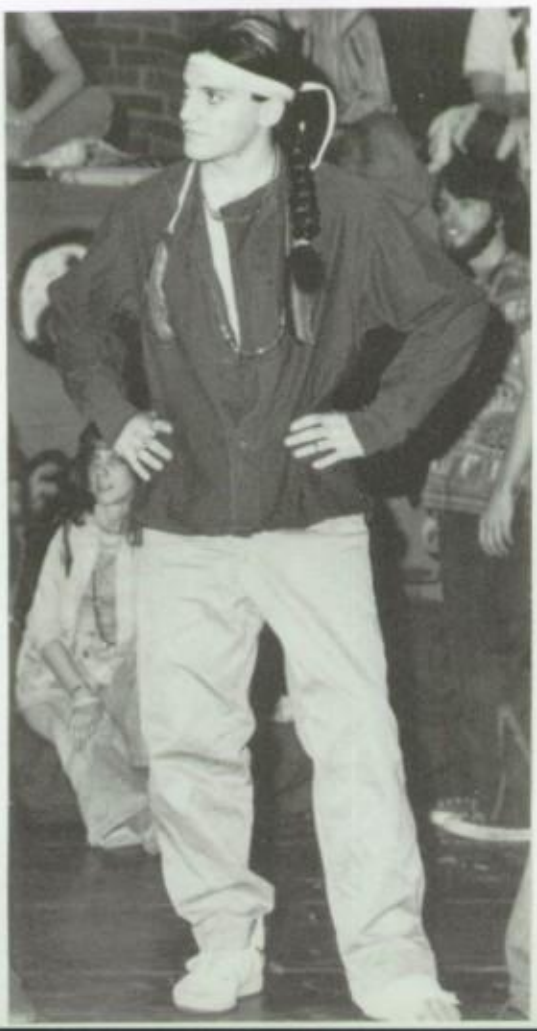
Dark of the Moon, a fantasy centering on prejudice in a small mountain town, was the second semester Play Production Show. The play focused on a man from the supernatural world who falls in love with a human girl. The tension builds until both are destroyed by the town's discrimination. This unusual presentation contained music and dance and the challenge of creating mystery — a first for the PAR Players.

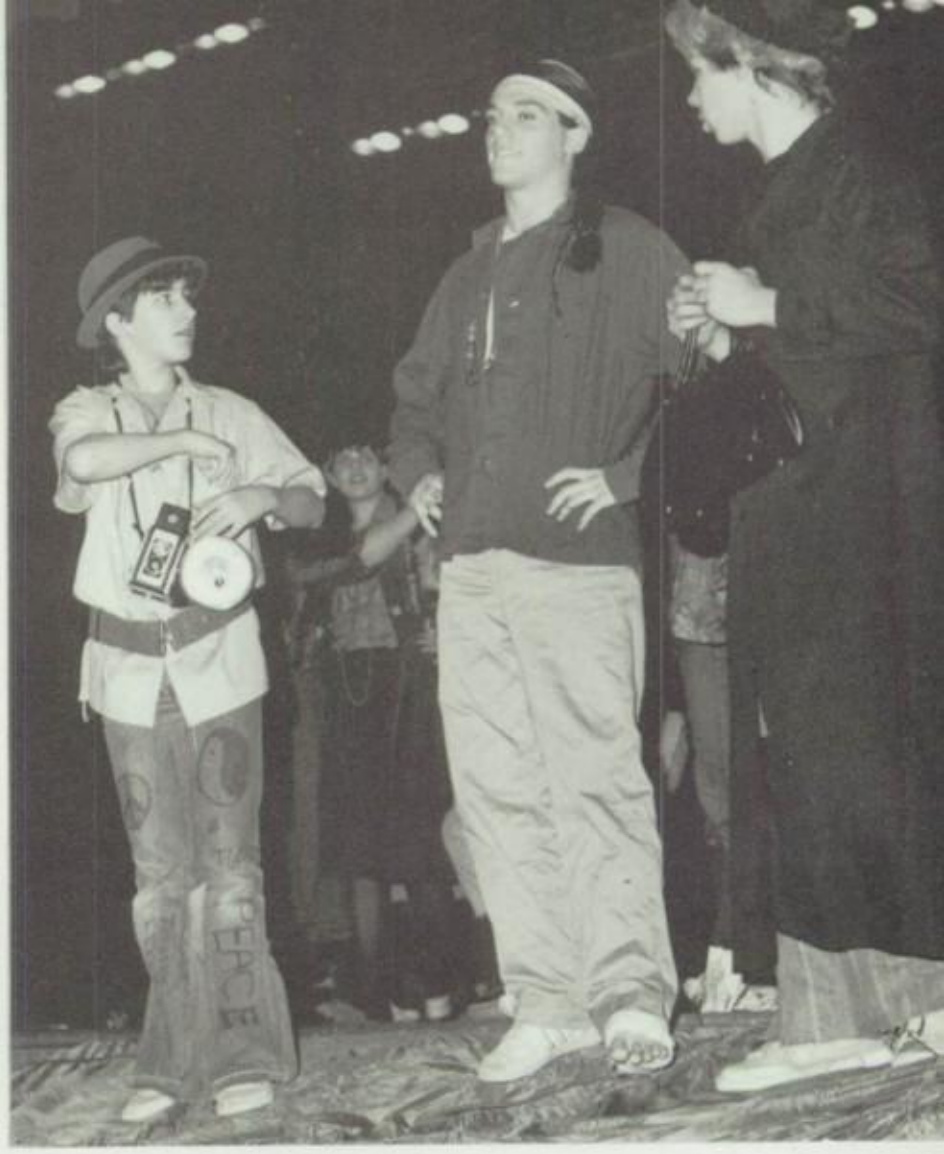












HAIR, one of the most successful productions at Trenton High School, presented the theme of peace wrapped in an energetic rock musical. Adapted for high school presentation, the show touched the hearts of the cast and audience with memories of Vietnam. The show was the most difficult attempted at THS. It was cast in October and had five months of rehearsal. All the effort resulted in a sharing of feelings rarely experienced in theater.

The 1984-85 THS social calendar opened with a "first ever" school wide "Get Acquainted Dance".

Dr. Milligan, principal and Mr. Blanzy, new student activity director, felt that, with the great surge of school pride and spirit felt during the past year, a dance earlier in the year was needed. The dance gave students an opportunity to see old friends and meet new ones.

Held on Saturday, Oct. 22, the "Get Acquainted Dance" was a resounding success. Attended by nearly 200 students, a great time was had by all. Music was supplied via Disc Jockey, Bill Retzloff. Refreshments included popcorn and punch.

Halloween Bash

The second dance of the 1984-85 school year was the "Halloween Bash" sponsored by the senior class. On October 27 from 7:30 to 11:30, 355 of Trenton's spirited students danced to music by D.J. Bill Retzloff and participated in a costume judging contest and an Apple-on-a-String contest. Various stuffed animal prizes were awarded to the most uniquely dressed and fastest eaters. Apple cider and popcorn were also served as refreshments.

IN MEMORY OF KEITH FROST

Friends Are Forever

The ticking of my watch
Keeps beating on
While the heart of a friend
Slowly dies - gone.
The thought of his death
Brings tears to my eyes,
Making me wonder
Why good people die.
He was a person
Who listened and cared
Sticking up for you
When no one else dared.

Oh, dearest Keith,
The pain you endured
Is shared by your friends;
When life weems obscure
Our prayers will send
A message to you
Which reads such as this:
Keith you were special
You live in our hearts
Someday we'll meet you
In lovelier parts.

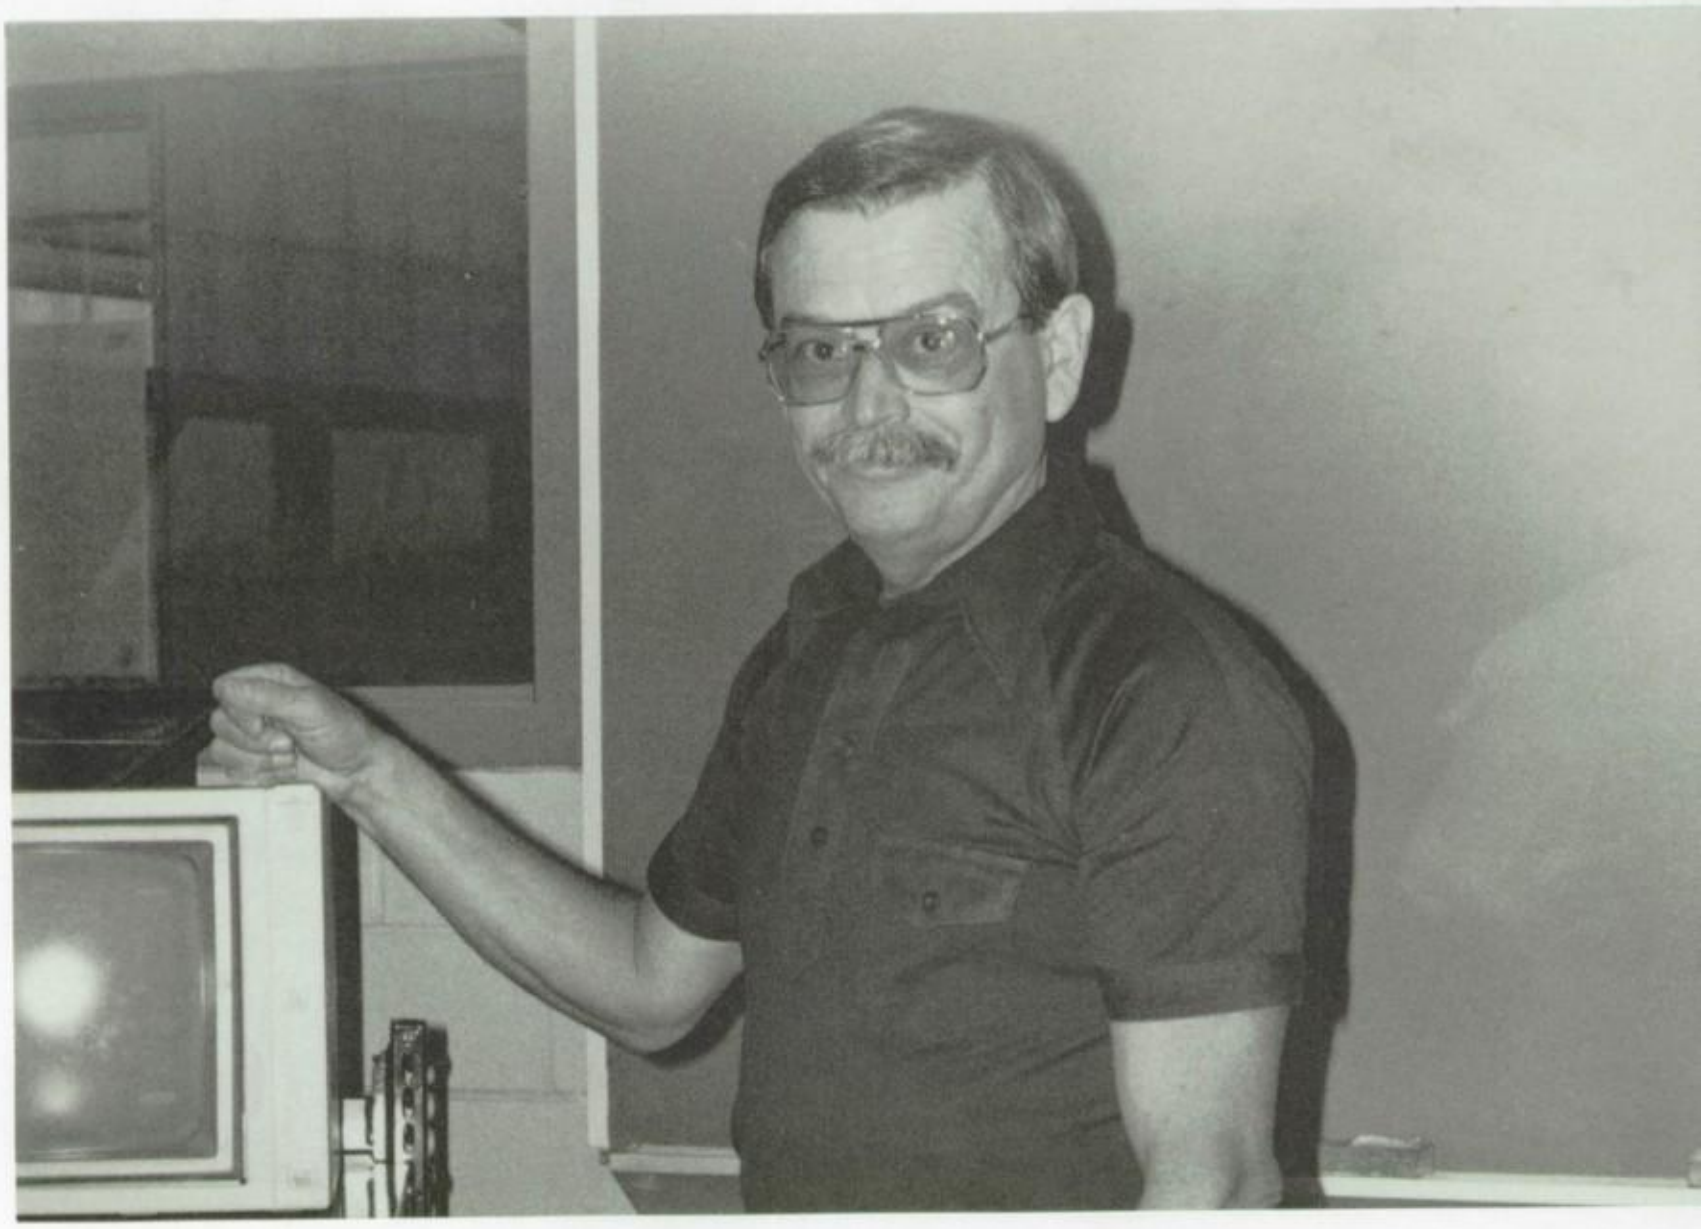
In Memory of Mr. Robert D. Branson



The Business Department and Trenton High suffered the loss of another teacher, Mr. Robert Branson, due to his passing away this spring. Mr. Branson had taught for twenty two years at Trenton High. During this period of time he taught nearly every course offered by the department. Mr. Branson is survived by his wife and three children.

He was active in teachers organizations and will be missed by his fellow teachers and Trenton High.

WE ARE THE WORLD

There comes a time when we heed a certain call,
When the world comes together as one.
There are people dying, and it's time to lend a hand
To life, the greatest gift of all.
We can't go on, pretending day by day
That someone somewhere will soon make a change.
We are all a part of God's great big family
And the truth, you know -love- is all we need.

We are the world; we are the children,
We are the ones who make a brighter day
So let's start giving.
There's a choice we're makin'; we're savin' our own lives.
It's true we'll make a brighter day
Just you and me.

Send them your heart so they know that someone cares:
That their lives will be stronger and free.
As God has shown us, by turning stone to bread,
So we all must lend a helping hand.

When you're down and out and there seems no hope at all,
If you just believe there's no way we can fall.
Let us realize that a change can only come
When we stand together as one.

Make Every Today the Best That Can Be

"The time to begin anything is now, so do it today. Perhaps you will say you are not ready, that you must give some additional thought to your proposed undertaking. Well, do it today. Begin now. The things you put off are never done. Someone has wisely observed that we cannot change yesterday, not begin on tomorrow until it is here. So all that is left for you and for me is to make every today the best that can be. When you can think of yesterday without regret and tomorrow without fear, you will be on the highway to success, because you will be using your todays in the best you know how, and your tomorrows will be rich with promise. Begin now!"
